## Your Money Speedometer

From your monthly income tracking page, note the 5 highest income months in the past year (12 months). Write down these 5 highest months on the lines below, add them together, and divide by 5 :

Date: _____

**Month 1:** $ _____

**Month 2:** $ _____

**Month 3:** $ _____

**Month 4:** $ _____

**Month 5:** $ _____

**TOTAL:** $ _____

Now divide the total number above by 5, and write that number below:

**TOTAL ABOVE DIVIDED BY 5 =** $ _____

Now write the number above in the box below.
